

Take Me Out to the Ballgame!

Ballfield ribbon cutting

Another major milestone was reached in the history of NCA on March 22, 2016, when Federal Protection Field was dedicated. Hundreds of NCA fans, the

Springfield Chamber of Commerce Ambassadors, NCA parents, students, board members, faculty, and staff were in attendance to mark this epic day. To God be the glory!

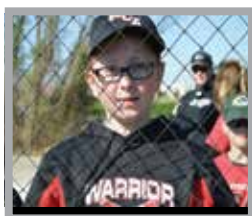

Kim and Gayla Hancock, former NCA parents and president of Federal Protection, prayerfully and humbly dedicate the field.

Chamber of Commerce, NCA administrators and board, Carnahan White Fence and Federal Protection cut the ribbon.
